Order Execution Policy

Best Execution Standards and Procedures

VERSION	EFFECTIVE DATE	ISSUED BY
v1.2	01 January 2024	Nordic FX

This document is issued by Nordic FX and is subject to periodic review.

1. Purpose and Scope

This Order Execution Policy describes the measures Nordic FX takes to obtain the best possible result when executing client orders in financial instruments.

2. Best Execution Factors

We consider the following factors when executing orders: (a) Price; (b) Costs; (c) Speed; (d) Likelihood of execution and settlement; (e) Size and nature of the order; (f) Market impact; (g) Any other relevant consideration.

3. Execution Venues

We execute client orders via our own systems acting as principal (market maker), through regulated exchanges, multilateral trading facilities (MTFs), or via third-party liquidity providers. The choice of venue depends on the instrument, order size, and prevailing market conditions.

4. Client Instructions

Where a client provides specific instructions regarding execution, we will follow those instructions, which may prevent us from taking the steps included in this policy to obtain the best possible result.

5. Monitoring and Review

We monitor the effectiveness of this policy regularly and review it at least annually, or whenever a material change occurs that may affect our ability to obtain best execution.

6. Consent

By accepting our Client Agreement, you consent to this Order Execution Policy.
